-

On the Fairways:

- Proceed quickly to your ball – think about your club selection on the way there.
- Watch each player's shots to avoid losing golf balls and to save time in the search.
- Don't spend more than 3 minutes looking for your ball.
- When playing with carts drop your partner off at their ball with an extra club or two then proceed to your ball.

On the Green:

- Take your buggy or cart to the path beside/behind the green and take your putter and/or wedge to the green.
