#### **Presentation & Volunteers Day**

The club's major function of the year was held on the 9<sup>th</sup> November 2025. We were fortunate with the weather allowing members to occupy the deck area.

There were nearly 100 attendees, consisting of the winners and runners-up of our major competitions in both the men's and ladies' events, volunteers who have assisted in various areas of work and some of our major sponsors.

Most of our winners and runners-up were present to receive their awards. Volunteers were invited to thank them for giving up their personal time to help with the running of the club. All in attendance were provided with a sit-down hot lunch which was served to the tables by the directors and some volunteer help. Some free beverages were also provided. A good day was had by all in attendance based on comments from many.

## GOLF NEWS

**From Alan our Club Captain.**

### Miscore News

We are now using MiClub notifications for Local rule changes on any day. All members using MiScore will get the message. This will ensure that the majority of players on the day will be aware of any local rule changes. When you receive a notification, please inform your playing partners if they are not using Miscore.

### Nearest the Pin using Miscore

It's now incredibly easy to record your good shot for Nearest the Pin and other novelty prizes in the MiScore App. No more searching for pencil and adding your name to the NearPin marker.

Look out for flashing golf ball on the tee icon and there's a NearPin for that hole. Press NTP Icon to:

- Add your shot and approximate distance or
- Add a playing partners shot and approximate distance

Only need one player in the group to be using MiScore App to add a name from the group to NearPin. Names are automatically sent to the prize results with a history of the player's name and distance.

**Members are urged to make themselves familiar with the NTP in Miscore as the Golf Operations Committee plan to eliminate the existing NTP card holders for score entry in the near future.**
